PDA-H60

Powerful Core Configuration

Powered by a high-speed Octa-core 2.0GHz processor paired with 4GB RAM and 64GB ROM, and running on the latest Android 13 operating system, it ensures seamless multitasking and superior app compatibility.

Superior Ruggedness

Designed for harsh environments, the device boasts an IP66 protection grade against water and dust and can withstand drops from 1.5 meters, making it highly durable for logistics and field use.

High-Capacity Battery

Equipped with a massive 5200mAh battery, the H60 provides long-lasting power to support full-day operations without the need for frequent recharging.

Industrial-Grade PDA for diverse applications.

Built for Ordering / Restaurant, Food Delivery, Soft Pos, Top-up, Retail and Parking
